PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Mrs. Boyd Vorhees Named President Canal Point P-TA

Mrs. Boyd T. Vorhees was elected president of the Canal Point Parent-Teacher Association at the annual election of officers conducted during the April meeting which was held in the school auditorium Monday night.

Other new officers chosen for the coming year were Mrs. Pope Sears, first vice president; Mrs. Leol Lence, second vice president; Mrs. J. P. Parker, secretary; Mrs. Charles Jones treasurer, and Mrs. W. N. Neal, historian. The report of the nominating committee was given by Osceola Upthegrove, chairman.

At the business session, with Mrs. D. L. Friend, retiring president, presiding, the group voted to purchase a six-volume "How and Why" library for the school. R. T. Smith, Charles Jones and B. F. Vorhees were named on a committee to investigate the cost of installing two new electric drinking water fountains at the school. The need of a scout hut for use by Canal Point girl scouts as a regular meeting place for troops was discussed but it was decided to postpone action on this matter until the next meeting. The monthly attendance banner was won by Mrs. Lence's first grade room.

On the program three musical numbers were played by the First Grade Rhythmic Band under the direction of Mrs. Sorchie Baird. Mrs. Baird introduced Mrs. Frank McKenzie of West Palm Beach, guest speaker, who reviewed laws passed during the last session of the State Legislature for the benefit of schools and gave an outline of the proposed legislative program for the benefit of Florida schools to be introduced at the current session.

Following the meeting refreshments were served by a hospitality committee composed of Mr. and Mrs. Charles Curtner, Mrs. Angus Sims and Mrs. Harold Rosenberg.

Girl Scouts Seek Badges For Cycling

Troops One and Three of the Pahokee Girl Scouts worked on their cyclist badges this week by taking bicycle tours over the countryside. Troop One went bicycling Monday following which they enjoyed a cookout at the city park with Mrs. Becky Starling and Mrs. Lewis Friend, troop leaders, in charge.

Troop Three completed their cyclist badge work on a tour led by Mrs. C. A. Canipe, troop leader, Tuesday afternoon. The tour was followed by a routine business session and lunch.

At a meeting of Patrol Two of Troop Two Tuesday afternoon Thelma Lowe was elected patrol leader and Carolyn Hickerson, assistant patrol leader. The scouts presented a skit and sang songs.

Reports from automobile circles indicate that Crosley Motors will mass produce a rakish two-seater roadster this spring to sell for about \$1,000.

FFA Chapter In Subdistrict Contest

Members of the Pahokee Chapter, Future Farmers of America, participated in an FFA subdistrict contest at Clewiston on Thursday afternoon and evening of this week. The contests included public speaking, string band music, harmonica playing, quartet singing, horseshoe pitching and softball.

Other FFA chapters scheduled to take part in the subdistrict meet were LeBelle, Moore Haven, Fort Myers, Belle Glade and Clewiston. Winners in the subdistrict contest will be eligible to take part in the district contest to be held in Fort Lauderdale the last of this month, semi-final of the state contest. The Pahokee FFA boys were eliminated from the softball contest at a subdistrict meeting in a preliminary game with Belle Glade last week, the latter winning, 2 to 0.

Two Youngsters In Canal Tragedy

A tragic accident occurred on the Niblack Farms about 12 miles east of Canal Point Sunday afternoon when Charles Edward Dickerson, 6, and Henry Walter Dickerson, 5, sons of Mr. and Mrs. C. E. Dickerson, fell in a drainage canal and drowned while their parents were picking vegetables nearby.

The Dickerson family, including the two boys and a small daughter, Margie Ann, had gone to the Niblack Farms, where he is employed, to pick vegetables to can and the boys persuaded their father to fix some poles so that they could fish in the canal while the vegetables were being gathered. When the boys disappeared from the bank of the canal the parents hurried back and the father jumped into the water and pulled his two sons to the surface. He and his wife, who is a registered nurse at the Everglades Memorial Hospital, applied artificial respiration and when this showed no signs of results they placed their sons in their pickup truck and rushed them to the Pahokee hospital where a resuscitator was used without success.

The bodies were sent to Dothan, Ala., Tuesday afternoon by Berry's Funeral Home and funeral services were held at the Methodist Church in Cottonwood, Ala., Wednesday afternoon. Mr. and Mrs. Dickerson and daughter, Margie Ann, left Tuesday by car to attend the services.

STATE SERVICE OFFICER TO VISIT GLADES AREA

All veterans and or their dependents who have problems or questions to ask concerning their entitlement on account of their military service to pension, compensation or insurance, please contact Mr. M. E. Penton, State Service Officer, who will be located from 1:30 to 4:30 p. m. on April 14, 1949 in your local Veterans Service Office in the Pahokee City Hall and from 9:00 a. m. to 4:30 p. m. in the Sanders Building, Belle Glade, on April 15, 1949.

This service includes assistance to employers of veterans under the "G. I. Bill", schooling, subsistence. Don't forget the dates.

Wroten And Gamot May Run Again

If their friends have their way Councilman Leo Wroten and Councilman A. J. Gamot will be candidates for reelection in the forthcoming annual city election in Pahokee. Hold-over members of the council are Orin Bacon, I. J. Frasure, Jr., and Robert S. Douthit. Mayor T. C. Richardson has another year of his present term to serve.

Councilman Wroten has been in charge of street improvement in Pahokee during the time that he has been on the council, serving as chairman of the streets and sidewalks committee. Many of his friends are anxious that he continue in his present job and complete the street program. Many streets have been improved and many more are on schedule for improvement under the direction of Mr. Wroten and the present council. He has not signified his intention to offer for re-election but his many friends are hopeful that he will make up his mind within the next few days.

Councilman Gamot has been quite active as a member of the council and many of his friends are trying to interest him in offering for another term. Always, during the time that he has been a member of the council, Mr. Gamot has had the interest of the city at heart and worked for its betterment at all times. He is chairman of the police committee and as such has done a good job, according to his many friends who are interested in his re-election.

Soil Conservation Day At Sanford

SANFORD—The biggest day in the history of soil conservation, as far as Florida is concerned is scheduled to be held at Sanford, April 7, on the 85-acre farm of the Fellowship Biblical College.

Heralded as Miracle Soil Conservation Day, every phase of conservation will be discussed and demonstrated and the farm will receive a face-lifting that will spotlight the attention of thousands of people on the need for conserving and improving Florida's basic land water resources.

A mechanized army of over 200 farm tractors together with a battalion of workers will move in on the farm April 7, to stage a giant one-day soil conservation program. One Hundred and eighty-five acres will be cleared by bulldozers, prepared, limed, fertilized and seeded to pasture grass. A one-acre fish pond will be constructed and stocked with fish. Fifty-two acres will be set aside for wildlife plants. Fifty-eight acres of muck land will be renovated and seeded to cover crops and 379 tons of limestone and 50 tons of complete fertilizer will be applied to the pastures lands.

A crowd of 35,000 is expected to attend the event.

Next to water, tea is the most economical beverage used by Americans today, according to A&P Food Stores, distributor of one out of every ten cups of tea consumed in this country.

Canal Point Lions Get New Member

A. J. Lavender was welcomed as a new member of the Canal Point Lions Club at the regular meeting Monday night with President A. Roswell Harrington presiding. Lavender was inducted into Lionism by Frank Rozelle, a member of the Pahokee club, who was a visitor.

B. T. Vorhees, program chairman, introduced four members of the Pahokee High School Band, Yvonne Fraser, pianist, Steve Kirk, bassoonist, Jack Major and Billy Jernigan, trombonists, who presented a musical program.

The group voted to assist the Pahokee club in selling tickets for the swimming pool fund raising project. It was announced that the club's board of directors will hold regular meetings on second and fourth Monday nights.

Home Show To Mark Many Conveniences

A full week of entertainment plus display of more than 100 of the newest products for home use, will be launched Sunday afternoon at Morrison County Home show in Palm Beach County when the first Palm Beach County Home show opens at the field auditorium.

Sponsored by the Board of Realtors of West Palm Beach, the Home show will feature two special television broadcasts during the eight days, and good reception will be assured through use of a 29 inch screen in the auditorium receiver. Station WTVT in Miami will salute the Home show Monday night, April 11 with a two-hour broadcast starting at 7 o'clock, featuring a number of sports celebrities from Palm Beach county.

Residents of the county will also have an opportunity to see themselves on the television screen through pictures to be made during the opening days of the Home show. These will be broadcast during the closing evening of the show April 17, along with scenes from various sections of the county.

Louis B. Bills, chairman of the show committee from the Board of Realtors, announced that "Glades Day" honoring residents of the Everglades area will be observed Friday while special events for children have been set for Saturday. Surprise features will be announced at the show every hour during show time which will run from 2 to 10 o'clock daily.

Moving pictures sponsored by the board of realtors will be shown daily in one of the exhibition rooms of the airport auditorium and special movies have been scheduled by several of the exhibitors. "Glades Day" has been scheduled for Friday, April 15 and special events for Children's Day Saturday, April 16 are being planned. The Candid Camera Night will coincide with Television Night Monday because of the presence of "Miss Television 1949" and a dozen attractive models.

Among the exhibits from local and national companies will be showings of pianos, organs, electrical appliances, building materials and supplies, furniture, utensils, windows, doors, jalousies, awnings, shutters, works of art, plumbing, insulating materials, water softeners, insecticides, air

Juniors Entertain Seniors In Annual Banquet, Pahokee

"Gold for the Forty-Niners" was the program theme used by members of the Pahokee High school Junior Class in entertaining the Seniors at the annual Junior-Senior banquet and prom Friday night.

The banquet was held in the First Baptist Fellowship Hall where the tables were arranged in the shape of a giant horseshoe with imitation campfires in the center. Relics of the Old West, including a miniature covered wagon and gold-painted rocks, were used in the decorations to depict the Gold Rush of '49.

Stanley Hooks, toastmaster, introduced Barbara Wilkinson, president of the Junior Class, who delivered the welcome address to the Seniors. George M. Belk, Jr., president of the Senior Class, gave the response. Miss Wilkinson sang a vocal solo, accompanied at the piano by Yvonne Fraser. The invocation was given by Billy Ray Mosley and the benediction, by Tony Lively.

Girls of the home economics class served the banquet which had on the menu such appetizers as "wagon wheels," "sand dunes," "bucksnot," "axle grease," "creek H2O" and "cactus fruit sundee".

Following the banquet the prom was held in the Elks Hall which had a large covered wagon at the entrance through which the guests had to pass before reaching the dance floor. Dancing was enjoyed under a crepe paper sky and refreshments were served from a "Wild West" bar.

Special Instructions For Vet Trainees

All P. L. 346 on-the-job trainees will be required to submit form 1905c, "Monthly Report of Training," direct to the State Department of Education Supervisor, 815 Gardena Street, West Palm Beach, Florida, by the first of each month.

Announcement is being made by the Veterans Administration in a news release in the next few days. It will say in part that said form (7-1905c) is being done away with and will no longer be used. This is true but the State Dept. of Education will still require them for their use. The 1905c will be supplemented in the near future by a State Form.

The Veterans Administration will continue to require the "Report of Compensation From Productive Labor" every 4 months, but do not submit this form until you have been requested to do so by the V. A.

If the veteran or trainor has any question concerning the subject it is requested that you contact your local Veterans Service Officer.

conditioning, foam rubber, mineral water, exercise machines, portable summer playhouse and kitchen ventilating equipment.

FLORIDA CAPITOL NEWS

TALLAHASSEE — The 1949 Florida Legislature opened its 60-day session with a recommendation for economy and a number of new tax sources from a prayerful chief executive, and the threat of a general sales tax lurking in every corner.

Governor Fuller Warren and the state cabinet have submitted to the lawmakers a budget which falls \$28,000,000 a year short of money now in sight for the general fund of the state. To make up this difference, a package of new taxes is recommended, coupled with the threat that the governor will veto and oppose any general sales tax.

The legislature met with the echoes of the governor's latest statement still echoing through the halls. He said, "The state faces a financial crisis of unprecedented proportions. The approaching session of the legislature will determine the fate of Florida. Its members will need divine help. I reverently request preachers and other praying people to ask God's guidance for the men who will gather next week in Tallahassee for the most fateful session of the legislature ever to convene."

On that note, the senate walked into a newly decorated senate chamber and for the first time in more than a generation, Florida senators sat in new chairs, with their feet on a new rug, and in a chamber which looked like a fitting place for senators. The house has had its modern chamber for a decade. Both are air conditioned and wired for sound.

Senator Newman Brackin, the Crestview druggist, is president of this senate. Perry Murray, Frostproof attorney, is speaker of the house.

TALLAHASSEE — Lewis M. Schott, state beverage director, has closed the Marianna headquarters and consolidated its work with his office in Pensacola. He said this was part of a reorganization move to reduce the district from 13 to 8. The Gainesville office will be closed and moved to Ocala. Bradenton operations will be shifted to Sarasota. Clay county will be merged with the Jacksonville operations. He said reducing the number of headquarters will make it possible to concentrate large numbers of men more easily at any one given point.

TALLAHASSEE — The question of divorce from an insane mate came up before Attorney General

Richard Ervin, in a request for opinion from T. C. Merchant, Jr., of Madison, writing on behalf of a fellow townsman. He asked if a person could divorce his wife after she had been in the state hospital for the insane at Chattahoochee for 10 years and showed no signs of improvement. The attorney general replied that insanity is not one of the grounds for divorce in Florida. In another opinion given to Tax Collector Walter Lanier of Clearwater, the attorney general said there is no authority for county tax officers to seal coin-operated machines when the owners or operators fail to pay their license taxes on such machines. This would also apply to slot machines, if any.

TALLAHASSEE — Public hearing on Southern Bell's new application for higher rates opened in Miami April 4, with the Florida Railroad and Public Utilities Commission and the public getting facts on why \$3,228,552 more per year in gross revenue is needed by the telephone company. The commission last December granted a temporary increase in rates, under a million dollar bond. Before the public hearings and study of testimony could be concluded on the company's original application for an increase, a further rate increase was requested on the basis of higher wages and other swollen operating expenses not taken into consideration at the first application.

TALLAHASSEE — A state employee who once served for a period of years as a naval stores inspector is entitled to that time being applied on his retirement, according to Attorney General Richard Ervin. Such an inspector, he ruled is a state officer and if such a former inspector was a full time state employee when the retirement act went into effect, he can count in his time in the naval stores work.

TALLAHASSEE — Florida today offers 472,353 rooms for rent to the public, according to State Hotel Commissioner J. T. Landon. He said that there are 1,500 hotels and 2,300 tourist courts in addition to rooming houses and apartments. This is four times the number available in 1928, following the last boom, he said. He states that the hotel commission which services these accounts had 30 employees 20 years ago, today has only 58.

Annette McIntosh Is Head Youth Group

Annette McIntosh was elected president of the Pahokee Junior Methodist Youth Fellowship group at a meeting in the prayer garden of the Methodist Church Sunday afternoon with Mrs. G. B. Ramey, counsellor, in charge.

Other officers chosen were Judy Starnling, vice president; Allen Seegre, secretary; Philip Dulany, treasurer, and Phoebe Ann Ramey, program chairman.

Following the serving of a picnic lunch of sandwiches and cakes the group went to the junior fellowship room in the Sunday school building where a candlelight installation of officers and pledge service was conducted by Mrs. R. J. Schroder, assisted by Mrs. Ramey. The newly installed officers were presented with sweet pea nosegays and carnation bouquets.

Mr. and Mrs. George O. Schroder left Wednesday for a visit of several days with Mr. and Mrs. R. T. Jernyn in Tampa and while there will attend the State Festival.

Mrs. Buchanan Heads WSCS In Canal Point

Mrs. W. K. Buchanan was elected president of the Canal Point Methodist Woman's Society of Christian Service at a meeting at the home of Mrs. Boyd Vorhees Tuesday afternoon with Mrs. C. L. Stuart, retiring president, presiding.

Other officers named for the coming fiscal year were Mrs. N. E. Maxson, vice president; Mrs. E. T. Vorhees, recording secretary; Mrs. Don Kepp, treasurer; Mrs. D. R. Hall, promotion secretary; Mrs. J. P. Parker, supplies secretary; Mrs. F. M. Wilson, spiritual life secretary; Mrs. James Miller, children's work secretary; Mrs. R. A. Fuller, youth work secretary; Mrs. Harold Rosenberg, literature and publications secretary; Mrs. F. W. Cross, Sr., church activities and Christian social relations secretary; Mrs. L. C. Livingston, student work secretary, and Mrs. A. R. Harrington, missionary education secretary. Mrs. B. T. Vorhees, chairman, gave the report of the nominating committee. Mrs. W. P. Pope was named a local delegate to the WSCS Conference in Tampa this week.

The group presented a WSCS adult life membership to Mrs. C. L. Stuart, the retiring president, and an infant's life membership to Nancy Elizabeth Harrington, daughter of Mr. and Mrs. A. R. Harrington. A pledge service for all members was conducted at the meeting.

New members who recently joined the society were recognized at the meeting and presented with corsages as follows: Mrs. W. N. Veal, Mrs. L. C. Livingston, Mrs. Max Enfinger, Mrs. H. Murphy, Mrs. D. L. Hooks, Mrs. Lois Erickson, Mrs. Bill Johnson, Mrs. H. C. Kinney, Mrs. E. Blackwell, Mrs. J. W. Repper and Mrs. John S. Harrington, Jr. A corsage was also presented to Mrs. F. M. Wilson in appreciation of her work in presenting the recent mission study of "Newness of Life." A rising vote of thanks was given to Mrs. H. C. Kinney for the beautiful crocheted table scarf which she recently donated to the altar table in the church.

The group voted to sponsor a nursery for preschool age children open from 2 to 5 p. m. each afternoon during WSCS meetings, with volunteer workers in charge. Mrs. H. Murphy and Mrs. E. Blackwell volunteered to run the nursery at the next meeting on May 3.

A program on "Light in Latin America" was presented by Mrs. D. R. Hall. The devotionals were led by Mrs. N. E. Maxson, assisted by Mrs. J. D. Parker and Mrs. James Miller. Mrs. J. T. Platt and Mrs. Laura Vorhees were visitors.

Free Flowing Orange Juice For Babies

LAKELAND — A new free-flowing orange juice in cans, especially designed for bottle feeding of infants, is the latest scientific development of Florida's citrus industry.

Known as Bib, the new juice has been enthusiastically received by pediatricians throughout the country due to the controlled Vitamin C content which is a necessary factor in an infant's diet.

A special straining process developed by the Bib Corporation of Lakeland, producers of the baby juice, enables the new juice to flow freely for bottle feeding without a loss of vitamin content.

The new juice is packaged in four-ounce cans, just the right size for single feedings among the "carriage trade."

Lengthy research by the Bib Corporation, in conjunction with a leading Florida pediatrician, led to development of the new baby juice. The product has been accepted by the Council on Foods and Nutrition of the American Medical Association.

Mrs. Audie F. Hooks, Sr., and daughter, Mrs. Jack Rush, and Mrs. Rush's son, Dewey, all of Miami, are visiting relatives and friends in Pahokee this week.

DEMOCRATIC MEETING

ORLANDO — Top notch speakers from the ranks of the Democratic party, including Mrs. India Edwards, executive director of the woman's division of the National Democratic Committee, and Florida's senior senator Claude Pepper will be in Orlando April 9, for the gala statewide Jefferson-Jackson Day Dinner to be held at the Orange Court Hotel. Those in charge of arrangements predict that the affair will bring the largest gathering of party leaders ever held in central Florida.

Glades Section Lags In Red Cross Drive

Delray Beach and Belle Glade, joined by Lake Park and Boynton Beach, were reported as four of the communities expected to reach their American Red Cross quotas this week according to reports of community chairman on Saturday to West Palm Beach Red Cross headquarters.

Almost 85 per cent of the \$88,700 county quota was reported on hand by E. E. Bartlett, Jr., as he announced a total of \$72,011 in contributions received.

Chairman Charles Senior of Del-

ray Beach announced the \$4,348 goal was "practically attained" on Saturday, and expects his community to go over the top this week.

Mrs. Benjamin E. Weeks, Bell's Glade chairman, reported \$1,988 subscribed from the Belle Glade area, including Bean City, Chocoma, and Outh Bay, with no reports from Lake Harbor or the labor camps.

Boynton Beach Chairman Mrs. F. L. Purinton announced \$1,000 on hand toward the \$1,123 goal. In Lake Park area, Chairman Peaslee Streets reported \$296 of the \$333 quota already in.

Other communities: Palm Beach, quota, \$47,767, reported \$39,500; West Palm Beach, quota, \$23,479, reported \$15,500; Boca Raton, quota \$1,000, reported \$500; Pahokee, quota \$2,013, reported \$550; Riviera Beach, quota \$663, reported \$475.

Lake Worth is over the top with \$6,530 and a \$5,115 quota.

Jupiter heads the list in percentage, with \$504 subscribed to a \$333 quota.

Miss Marian Clause left Wednesday for Swainsboro, Ga., where she has accepted a position through the summer months.

New Pastor Welcomed By Pahokee Baptists

Members of the Pahokee First Baptist Church held a reception in the Fellowship Hall Monday night for their new pastor and his wife, Rev. and Mrs. H. H. Shirley, who arrived last weekend from Fort Lauderdale to make their home in Pahokee.

The hall was beautifully decorated for the affair with spring flowers of pastel colors, including bouquets of snapdragons, gladioli and tuberoses, against a background of palms and was lighted by tapers in tall candelabra. The refreshments table, covered with a lace cloth and lighted by tapers in double crystal holders, had a large punchbowl at one end and an attractive arrangement of roses and snapdragons at the other.

Guests were greeted at the door by Mrs. H. L. Speer following which they registered in a guest book in the charge of Mrs. T. W. Knight. In the receiving line with Rev. and Mrs. Shirley were Mrs. Horace Unwin, president of the WMU, H. L. Speer, chairman of the board of deacons, Mrs. L. G. Alderman, Training Union director, and J. H. Wilkinson, Jr., superintendent of the Sunday School.

Refreshments of sandwiches, cookies, mints, nuts, tea and punch were served by Mrs. J. H. Wilkinson, Jr., and Mrs. Tom Baldwin, assisted by Mrs. Claude Shirley. Soft piano music was played throughout the reception by Mrs. C. R. Wroten and Mrs. H. C. Graham.

The committee in charge of general arrangements included Mrs. W. M. DuBois, chairman, Mrs. H. L. Speer, Mrs. D. W. Young, Mrs. W. A. Stevens, Sr., Mrs. W. A. Stevens, Jr., Mrs. Bill Unwin and Mrs. Horace Unwin. On the table committee were Mrs. A. C. Santo, Mrs. L. G. Alderman and Mrs. E. E. Coleman; decorations, Mrs. E. Kadir Barwick and Mrs. Sam McKinstry, Sr., and house committee, Mrs. C. L. Shirley, Mrs. Cleo Douthit and Mrs. Wiley Tillis were on the committee in charge of refreshments.

Among the many guests who attended the reception were groups of friends from Canal Point and Belle Glade.

Myers Fountain left Thursday for Durham, N. C., where he will enter the Duke University Hospital for medical treatment. En route to Durham he plans to visit his parents, Mr. and Mrs. W. J. Fountain, in Cordele, Ga., and other relatives in Albany, Ga.

ALUMNI CLUB MEETS

A committee meeting of the Glades Alumni Club of Florida Southern College was held recently at the home of Miss Betty Howes, vice president of the FSC State Alumni Association and president of the local club.

Plans were made for a meeting of all FSC alumni of this area, including West Palm Beach, Lantana, Boynton Beach, Pahokee, Okeechobee, Belle Glade, Moore Haven and Clewiston Clubs. This meeting, to be preceded by a supper, will take place at the city park in Belle Glade on the evening of April 24 and all FSC alumni in this area are urged to attend.

Mrs. Ablng Named BPWC President

Mrs. Fay Ablng was elected president of the Everglades Business and Professional Woman's Club at a meeting Tuesday night at the home of the retiring president, Mrs. Sarah Thomas.

Other club officers chosen were Mrs. Violet Hall, first vice president; Mrs. Tommie Lee DuBois, second vice president; Miss Hilda Steffen, recording secretary; Miss Julia Mathis, corresponding secretary, and Mrs. Alma Farrow, treasurer. The nominating committee which gave its report previous to the election included Mrs. Lera Richardson, chairman, Mrs. Rethelle Dobrow and Mrs. Ablng.

The group announced plans for the annual BPWC installation banquet which will be held at the Woman's Club building on the night of April 19. Members were asked to contact Mr. Lucille Williams by Tuesday, April 12, for reservation to the banquet.

Paid Insurance Gets Boost From Larson

MIAMI BEACH—Insurance men will watch with interest the expansion of old age assistance, pensions and other aid programs. State Treasurer Larson declared here recently. Addressing the closing session of the mid-Winter conference of the National Association of Life Underwriters, Larson, who is president of the National Association of Insurance Commissioners, said:

"All of us are agreed that the best plan for medical care is through paid insurance. If the American people decide the voluntary plan is not working properly some way will be worked out to carry out the provisions of the Wagner-Mundt-Dingle Bill."

L. E. McCutchen, of Pensacola, president of the Florida Association of Life Underwriters, presided at the banquet, which marked the end of the meeting.

Workers Available At Employment Office

The most complete source of competent workers available in Florida is offered to employers by the Florida State Employment Service, according to A. M. Larimore, manager of the Belle Glade local office.

Employers who need cooks, maids, welders, oilers, carpenters, painters, truck drivers or other workers, may find valuable aid by referring their employment problems to the local office of the Florida State Employment Service.

"Not only workers in this area, but workers in every section of the state are available through the Florida State Employment Service," Larimore pointed out, "so that if the particular type of person needed by the employer is not listed in this office, the files of the entire state may be consulted for the right worker."

More employers are becoming increasingly aware of the service of this office, and last month 69 unemployed workers were placed in nonagricultural jobs here through the facilities of the Belle Glade office. Of this number, 20 were women and 25 veterans.

At the end of March, the local office had 153 active applications for jobs and 15 requests for workers. The demand for workers is chiefly for vegetable packing shed laborers.

Stating that the trained personnel of the Employment Service is ready to aid both the employer and the worker, Larimore urged all employers to use this Service, located at 125 S. W. 2nd street where they need help, either skilled or unskilled. Canal Point is serviced by the State Employment Service on alternate Tuesdays when a representative is in the City Hall in Pahokee from 9:30 a. m. to 12:00 noon.

PHILATHEA CLASS

Members of the Philathea Class, First Baptist SS, met at the home of Mrs. L. G. Alderman Thursday night with Mrs. H. J. Clause presiding in the absence of the president, Mrs. H. C. Graham. Miss Elizabeth Caraway was in charge of the devotional program. Mrs. Alderman served a salad course as refreshments following which she showed members of the class through her beautiful new home.

Patrol One, Troop Two, of the Pahokee Girl Scouts voted to call their group the Rose Patrol at a meeting at the Methodist Church Tuesday afternoon. Rose Marie Henderson was elected patrol leader; Sandra Long, assistant patrol leader; Olive Gonzales, scribe, and Phoebe Ann Ramey, treasurer. Or, the program a skit, "A Girl Scout Honor is to be Trusted," was presented by patrol members.

St. Joe Paper Co. Is Closed Down

PORT ST. JOE—The St. Joe Paper Company, employing 500, closed down last Friday because of a lack of orders, according to a bulletin board notice. No announcement was made about reopening.

Paper container manufacturers over the South are feeling the pinch of fewer orders, with the blame not precisely pinned down. A complete report on all paper and pulp manufacturers was impossible over the week-end, because officials either could not be reached, refused to talk or refused to be quoted by name.

However, some mills were shut or were contemplating shutting down and some were curtailing operations, while others said operations were continuing as usual. Some of the mills have shut down at various times in the past, however, but were presently operating.

Mr. and Mrs. H. J. Anderson have as their house guest Miss Ingrid Van Zonneveld.

Sirman Wood, Inc., will bring Ava Hall (Miss Omaha) left, and Jean Lyons, Miami to assist G. G. Sirman with his magic shows to be a daily feature of the Home show. A special program for children is being planned for Saturday, April 16 under auspices of the West Palm Beach Board of Realtors.

Cinematic Chatter

By Malcolm Miller

Romance, music, drama and laughs accent the beautiful technicolor picture "One Sunday Afternoon," starring Dennis Morgan, Dorothy Malone, Don De Fore and Janis Paige, which will be shown at the Prince Theatre this Sunday-Monday.

"One Sunday Afternoon" is a comedy romance. The appeal of this film recalls the days when the bicycle-built-for-two was being pushed over to the right side of the road by the new fangled contraption called the automobile.

The picture goes back to Broadway 1933, when James B. Hagan's play of that same title opened to win wide-spread acclaim. In fact some of the song numbers introduced during the filming take you right back to those days. "One Sunday Afternoon," "I'll Forget you," "Girls were Made to Take Care of Boys," "Amy, You're A Little Bit Old Fashioned" and "Sweet Corner Girl."

I'm sure you'll love every inch of this delightful comedy.

See you at the movies—Mal.

More Changes To Be Made In Fish Laws

TALLAHASSEE—The barefoot boy under 16 years of age will not lose his free fishing privilege in Florida.

Coleman Newman, director of the state game and fresh water fish commission, said a proposal to establish a minimum \$1 fishing license for all types of fishing. Specifically exempts children under 16 and residents over 65.

He said the exemption applies not only to fishing with a pole, but also with rod and reel.

At present the state charges \$2 for residence licenses for fishing with rod and reel, but no license fee is required for a person fishing in his home county with a pole.

The proposed law would reduce the county license fee for fishing with a rod and reel to \$1.

Mrs. Jonna Van Zonneveld is the house guest of Mr. and Mrs. W. Weeks in Pahokee.

Dates Are Praised For Hialeah Success

MIAMI—Credit for the success of the Hialeah race meeting, which produced \$3,807,392 in revenue for the state this winter, is giving to "legislative stabilization of dates" which permitted the track to expand and improve its facilities.

"Hialeah's successful operation is important news to all Florida, as Hialeah revenue is an essential part of the financial structure of each of the state's 67 counties," the track reports in a recently published pamphlet.

"Stabilization of racing dates by the 1947 legislature, with passage of an act putting allocation of dates on a basis of revenue returned to the state, enabled Hialeah to go forward with a program of improvement and enlargement, and last summer a sum in excess of \$300,000 was spent on major changes in the grandstand and minor changes in the club house," the track continues. "These improved facilities produced substantial results this winter for the state and track."

In contrast to a sharp leveling off elsewhere in racing, Hialeah's mutual volume for the 40 day season showed a decrease of less than 5 per cent, and there was an actual increase in the attendance total. Before the opening of the Hialeah meeting, the more optimistic experts figured a drop of 10 per cent in handle, and some estimates fixed the decrease as much as a 25 per cent.

Twenty-six of the 40 days the handle was in excess of a million dollars, and reached a high of \$1,487,000 on closing day when the Flamingo Day activities were highlighted by a visit from Gov. Fuller Warren and victory by a Florida-owned horse—Fred W. Hooper's Olvivia—in the feature Flamingo Stake.

State Senator Olin Shivers, of Chipley, in a talk at Panama City, said if the State Advertising Commission wants Northwest Florida legislators to back a \$500,000 appropriation, it must spend some of its money for Northwest Florida beaches. His statement was in line with Northwest Florida's plan to develop a multi-million dollar tourist playground.

Jaycess Ask Further Automobile Safety

TALLAHASSEE—The Florida Junior Chamber of Commerce will ask the State Legislature next month to pass a law requiring safety inspection of motor vehicles at six months intervals.

W. W. Arnold of Orlando, Chairman of the Chamber's Public Affairs Committee, announced the inspection bill is part of a highway safety program which the organization has sponsored for several years.

The State Motor Vehicle Department would enforce the inspection law. It would designate inspection stations after investigation of their equipment. Inspection charges would be 75 cents, of which 55 cents would go to the inspecting garage and 20 cents to the Motor Vehicle Department for maintaining records.

Any motor vehicle which needed repairs in its brakes, lights, or steering gear would be tagged with a sticker showing unsafe condition. The owner would have 10 days to have repairs made at any place he selected, and then he could go to any inspection station and have his car checked again without charge. Cars with satisfactory brakes, lights and steering gear would be designated with "Approved" stickers on the windshield and instrument board. The owner of any unsafe vehicle, which is not repaired within 10 days, would be required to surrender the vehicle license plate. This would remove the vehicle from operation on the highways. A license plate would be returned upon showing that the vehicle had been repaired and had

passed inspection.

The Junior Chamber of Commerce also will sponsor in the Legislature an amendment to the present Automobile Financial Responsibility Law requiring a driver at fault in an accident to pay for damages or lose his driving license. The present Responsibility Law becomes effective only after a driver has been at fault in one accident. State Treasurer, Ed Larson, who is also State Insurance Commissioner, has endorsed the proposed amendment in the law.

717 Places To Wet Your Whistle In Palm Beach County

State Beverage Department figures show there were 717 liquor licenses of various kinds in effect in the county Dec. 31, 1948, according to a report received here Friday. District Beverage Supervisor E. E. Robinson disclosed.

Breakdown of figures show there were 123 licenses for consumption of beer on the premises, 14 beer package store licenses, 282 beer and wine consumption on premises, 42 bar-package stores, 57 whisky package stores, 168 liquor c. o. p., 13 whisky distributors, 18 club licenses.

During the period Oct. 1, 1947 through Sept. 30, 1948, there were 781 total licenses compared to 779 during Oct. 1, 1946, to Sept. 30, 1947.

Plantation-Homes in Broward County claims more winter meadow larks than any other residential community in the state.

Personal

Marshall Lair was elected president of the Pahokee First Methodist Men's Bible Class Sunday. Other officers named were L. M. Collins, vice president; J. D. Rogers, secretary and E. F. McIlwain, treasurer. C. A. Canipe will temporarily serve as teacher of the class.

Mr. and Mrs. Peter Chiviges were business visitors in Miami Monday.

At a meeting of Fred and Percy Mansfield Post 30 in the woman's clubhouse Monday night the group voted to join Canal Point Legion Post 242 and the Auxiliaries of both posts in a joint installation ceremony for newly elected officers of all groups, the date of the joint installation to be announced. A vote of thanks was given the auxiliary for the party they held for the Legionnaires Friday night. Commander J. T. Boynton presided.

Marshall Lair, chairman, reported on the progress being made by Pahokee Lions in the sale of tickets for the swimming pool fund raising campaign at the Lions Tuesday luncheon meeting. A program of songs was presented by a quartet composed of Reppard Cowart, D. S. Spooner, B. W. Wood and Gene Butler.

Azalea Park, near Castleberry, Florida has become the outstanding winter training spot for sulky pullers in the last decade.

Pahokee Methodist Church

SUNRISE SERVICE

The Churches of Canal Point and Pahokee are jointly announcing Community Sunrise Service on the Dike at foot of Main Street in Pahokee on Easter Morning at Sun Rise. The Pastors of the churches will be asked to take part in the service and peoples of all church faiths are cordially invited to attend. Rev. Hoke Shirley, Pastor of the Pahokee Baptist Church will bring the message.

HOWES' TEXT

The First Methodist Church of Pahokee announces that the Pastor, Rev. C. T. Howes will use as his sermon subject next Sunday at 11:00 a. m., "The Day of Palms, and their meaning." The Evening message will center about the Theme "What We Mean To Christ." The Youth Choir will sing and the Illuminated Cross Meditation will be used.

Ministers To Meet In Belle Glade

The Glades Ministerial Association will meet at Belle Glade Baptist Church next Monday, April 11, at 10:00 a. m. Rev. C. T. Howes, Pastor of the First Methodist Church of Pahokee will preside as president. Rev. I. E. Enlow, pastor of the Belle Glade Baptist Church, and Rev. A. F. Vandewater of the Community Methodist Church will present the program. The pastors of all churches in the Glades are cordially invited to attend.

Christian Science Society

CHURCH OF CHRIST, SCIENTIST

"ARE SIN, DISEASE, AND DEATH REAL?" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, April 10.

The Golden Text is: "Bless the Lord, O my soul, and forget not all his benefits: who forgiveth all thine iniquities; who healeth all thy diseases; who redeemeth thy life from destruction" (Psalms 103:2-4).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Behold, God exalteth by his power: who teacheth like him? Who hath enjoined him his way? or who can say, Thou hast wrought iniquity?" For thou art not a God that hath pleasure in wickedness: neither shall evil dwell with thee" (Job 36:22, 23; Psalms 5:4).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Are we irrelevant to wisdom, sin, or imputing too much power to God, when we ascribe to Him almighty Life and Love? I deny His co-operation with evil, because I desire to have no faith in evil or in any power but God, good" (348:14-18).

Mad Hatter Party Enjoyed By Sorority

"Mad Hatters" party was enjoyed by members of the Beta Sigma Phi Sorority Chapter at the home of Mrs. L. L. Stuckey on Thursday night of last week. Mrs. E. J. Graham, president of the chapter, and Mrs. John A. Dulany and Mrs. O. R. Blech, sponsors, were in the receiving line. The guests were welcomed in a talk by Mrs. Dulany.

Prizes for the "maddest" hats worn to the party were awarded to Mrs. Jack Phillips, a guest, for her hot dog creation and to Mrs. W. H. May, a member, for her crown of mixed vegetables.

Mrs. Stuckey had the living room of her home beautifully decorated with bouquets of spring flowers for the occasion.

Mrs. Thomas Baldwin spent the weekend in Arcadia visiting Mr. Baldwin's uncle and aunt, Mr. and Mrs. J. F. Baldwin.

Mrs. Dulany Named Head WSCS, Pahokee

Mrs. John A. Dulany was re-elected president of the Pahokee First Methodist Woman's Society of Christian Service at a meeting at the church Monday afternoon.

Other officers chosen for the coming year were Mrs. Jack Phillips, vice president and program chairman; Mrs. Lloyd Hundley, recording secretary; Mrs. R. L. Brooks, treasurer; Mrs. Hugo Boe, promotion secretary; Mrs. Arch Blakey, missionary education secretary; Mrs. Leo Wroten, student work secretary; Mrs. I. M. Lair, youth work secretary; Mrs. G. B. Ramey, children's work secretary; Mrs. M. P. Holman, spiritual life chairman; Mrs. R. B. Simonson, supplies chairman; Mrs. R. J. Schroder, literature and publications secretary; and Mrs. L. W. Armstrong, Christian social relations secretary. It was announced that Mrs. Dulany will attend the annual WSCS conference in Tampa this week as local delegate.

The group voted to make a \$100 payment on the piano recently purchased for the Junior Methodist Youth Fellowship. A \$20 contribution to the school for blind children in China was also voted.

Mrs. J. R. York led the devotionals and presented a program on "Latin America." Others taking part on the program were Mrs. William McClenahan, Mrs. Myers Fountain and Mrs. R. B. Simonson.

America's clay floor and wall tile production reached an all-time high of 9,624,000 square feet in January for a gain of 16 per cent over January, 1948.

LETTER TO THE PUBLIC

There is nothing material for one's self to be agained by joining the American Legion Auxiliary. The whole purpose of the organization is service to others, to disabled veterans, to needy children of veterans, to the community and to the country.

We work closely with the men in the American Legion in their great unselfish program for the benefit of all veterans, for the security of the country from war and communism. There is something for every woman to do. Social activities brighten our program and warm friendship lies in our work, but the real appeal to the auxiliary is Service to Others.

Those eligible to join are, Wives, Mothers, Sisters and Daughters of American Legion members. Wives,

Mothers, Sisters and Daughters of persons who died in service during the world war I and II or who have died since discharged from service. Women who themselves were enrolled in armed forces in either war.

If there is any further information you want, feel free to call me at 4871. Hoping that we can soon call you one of us.

Sincerely,
Unit President
American Legion Auxiliary
Post No. 90 of Pahokee.

SOONER or LATER - MR. JAYWALKER GETS A RIDE!

You have heard of him before, read about him in the obituaries and cursed him when driving. Mr. Jaywalker is the habitually irresponsible pedestrian who accounted for 34% of Florida's traffic fatalities in *one* year and 195 of his kind were given a ride to the morgue. Throughout the nation 11,200 pedestrians lost their lives last year. Are you startled?

If you have any jaywalking tendencies in your make up eliminate them before they eliminate you. Danger to life and limb is ever present when you venture into traffic. Yet it requires only the simplest application of a little common sense and patience to quit being a jaywalker. Walk and cross streets and highways where you should — when you should. Don't pit your body against speeding metal; it won't win.

Living is a great adventure. Why cut it short before your time? Walk safely and live longer.

Mr. Motorist—

Prepared by the Associated Dailies of Florida, the Florida Press Association, and the National Conservation Bureau, as a public service.

The Everglades News

Paul Rardin, Publisher

Black Drum Contest Attracts Interest

ST. AUGUSTINE — Florida anglers are completely swamping Georgia sport fishermen in the Norwih International Black Drum Fishing Rodeo which started March 1 and continues through June 1, according to the results at the end of the first month.

What hurts in the neighboring state is that anglers in the vicinity of Brunswick and Savannah accepted the challenge that they could put far larger black drum on the scales than they could anywhere along the Florida coasts.

Thus far the contest looks as though it were strictly a St. Petersburg-Daytona Beach affair, and even St. Augustine, which has produced two world record black drum, does not have one in the running to date.

The three top fish have come out of Tampa Bay. Dick Bryant of St. Petersburg is in first place with a 49-pound black drum, while John W. King of Gray, Indiana, is in second place and R. J. Herman of St. Petersburg is in third place. Both of their fish weighed 48 pounds, but King's had one-fourth inch larger girth.

Fourth place is held by Mrs. Robert Heil of Dayton, Ohio, who also has a claim for a world record on 9-thread line and a 3-ounce tip. With this equipment, she landed a 42-pounder at Daytona Beach.

Billy Bailey of St. Petersburg is in fifth place with a 26½-pound drum caught in Tampa Bay and August Fleming of Findlay, Ohio, is sixth with a 14½-pounder caught at Daytona Beach.

Marines Can Use Men And Women

JACKSONVILLE—The Marines are still looking for qualified men and women, according to Capt. K. E. Flake, in charge of Marine recruiting in Florida.

Although the Marine Corps has suspended acceptance of male recruits for general service for the second consecutive month, Captain Flake said that his office still has vacancies in some groups.

The captain emphasized that the Marines are still accepting men in the reserves, eighteen-year-olds in the regulars on a one-year contract, and reenlistments in the regulars on a two, three or four year basis.

"And the Corps is still accepting applications from the ladies," he added. "The second class of women recruits will start at Parris Island, S. C., April 11."

"So if you want to become a Leatherneck, don't give up before talking it over with a Marine recruiter," the captain concluded.

Marine Corps offices are maintained in Jacksonville, Fort Pierce, Miami, Ocala, Orlando and Tampa. Complete information may be obtained at any one of them.

Women's Groups Will Meet In Hollywood

HOLLYWOOD — Questions of national and international importance will be discussed in the holiday atmosphere of Florida when the General Federation of Women's Clubs holds its 58th annual convention at the Hollywood Beach Hotel, April 25-30. Hostess organization is the Florida Federation of Women's Clubs of which Mrs. A. T. MacKay, of Orlando, is president. Mrs. L. J. McCaffrey, of Miami, immediate past president of the Florida Federation, is convention chairman, assisted by committees of Florida clubwomen. Each club in Florida is contributing souvenir gifts to be distributed among the visitors.

Florida flowers and fruits will be used in profusion at all convention affairs. Delegates will find oranges and tangerines in their rooms and each afternoon fresh fruit juices and coconut milk will be served to all.

About 2,000 delegates and visitors are expected to attend from every state and from overseas clubs affiliated with the General Federation.

Installation Service Pronounced Success

Pahokee Chapter 184 OES held colorful installation services to a capacity crowd in Masonic Hall, Pahokee, Thursday, March 31.

One thousand artificial roses, creations of Audrey Millar, twined about trellised arches at the four principal stations of the chapter, with large baskets of roses in the East and West. Special lighting arrangement enhanced the beauty of the setting, giving a life like appearance to the flowers.

In this setting of floral beauty the following officers were installed for the year 1949. Jessie Barnes, Worthy Matron, Dave Young, Worthy Patron, Etta Mae Friend, Associate Matron, A. Q. Howell, Associate Patron, Mabel Young, Conductress, Ruth Carpenter, Associate Conductress, Pearl Hamilton, Secretary, Ila Howell, Treasurer, Ruth Meredith, Chaplain, Dorothy Graham, Organist, Edna Barrett, Color Bearer, Gladys Harrington, Aida, Rachel Harrington, Ruth, Audrey Millar, Esther, Hulda Wilson, Martha, Eleanor Holden, Electa, Mattie Lou Keen, Warder, Malcolm Millar, Sentinel. Installing officers were, S. J.

Baggett, Installing Officer, Iva Snyder, Installing Marshall, Virginia Adams, Recording Secretary, Beulah George, Organist, F. Adne Barrett, Chaplain.

Estelle Saunders sang "Love sends a Little Gift of Roses." Refreshments were served after the services by Margaret Bolton, Hulda Thomas, Florence J. Keene.

Visitors and members voted this installation as the most beautiful and successful ever held in the history of this chapter.

LATIN FIESTA

TAMPA—Tampa Latin Quarter will stage its big Latin America Fiesta beginning April 2 and continuing through April 9.

Ten Latin beauties will compete in a contest to select the Fiesta Queen, it was stated by Leon Cazin, president of the Fiesta Association. Winner of the contest will reign as Miss Latin America and will make a trip to Havana, carrying greetings from Tampa to the President of Cuba.

New patients entering the Everglades Memorial Hospital for treatment this week included Mrs. J. E. Elliott, Mrs. Bertha Mae Kautz, San Gray and Russell Johnson.

National Park Has 1,092,238 Acres

MIAMI—More than half the privately-owned land within the Everglades National Park has been acquired, bringing the park area to 1,092,238 acres. This announcement was made following a report from Senator Holland (D. Fla.) in Washington that 75,177 additional acres had been purchased from the Model Land Company.

The transaction, second with the Flagler-affiliated company, completes the purchase of all land within the park. The company was the largest individual owner. Of the total park acreage, for which

the state posted \$2,000,000 in 1947, only 146,297 acres remain to be acquired.

The park now embraces 1,029,238 acres of which 428,032 mainland acres and 403,200 acres in Florida Bay and the Gulf of Mexico were given by the state.

Members of the Pahokee Chapter, Order of Eastern Star, who plan to attend the meeting of the Florida Grand Chapter in Tampa April 12-16 include Mrs. Homer Barnes, Mrs. Pearl Hamilton, Mrs. Ruth Carpenter, Mrs. J. T. Holden, Mrs. Jennie McKinstry and Mrs. Edna Barrett. Mrs. McKinstry will serve as assistant associate grand conductress at the meeting.
